DESCRIPTION OF CULVERT LOCATION \_\_\_\_\_

\_\_\_\_\_

CALL RICHLAND PUBLIC WORKS, 601-420-1520 WHEN THE CULVERT IS ON SITE

**NOTE: Richland Street Department will install all culverts on City Right of Way at no cost to owner. If an old culvert is in poor or unacceptable condition and has to be replaced, Richland Street Department will provide replacement culvert, cover material and will install culvert and cover at no cost to owner. However, if additional or new piping is wanted, all culverts, catch basins, required parts, and cover material shall be provided by owner at their expense. Installation of the additional cover material shall be the owners' responsibility. There is no charge for the culvert installation.**
