Other comments: _____

Applicant Acknowledgement:

I understand that the issuance of this permit is contingent upon the above information being correct and that the plans and supporting data have been or shall be provided as required. I agree to comply with all applicable provisions of Ordinance # 1994-2 and all other laws or ordinances affecting the proposed development.

I understand that if a building is included in the development, a permit will be issued for construction of the lowest floor only. I also understand that the building permit (allowing completion of the building) shall not be granted until certification of the lowest floor elevation or flood-proofed elevation is received.
